

## HOW TO.

### Make a. Notelet box page 2

Fold along each scored line, including centre section . Cut a small 'V' on centre sections at both the top and bottom. (Do not adhere tape or cut off these tabs).  
**Forming corner Tabs** - Cut a small 'V' at each corner section this will form your 'tabs' attach double sided tape to each corner tab. Fold in and secure to form your box..

Decorate as required, here we have used the flower from the Eazi-score board to decorate our box also one of our A6 notelet cards. To make A6 notelet cards place short edge of A4 card to guide bar, score along line 7.. Cut in half along this line... You now have 2 A5 cards.. Place short edge of A5 card to guide bar and score along line number 6 (A5 Half fold)
